

TITLES TO STITCH (For KATS by KELLY™ Designs)

To stitch the title of the design on your piece, choose the appropriate lettering and insert in the "yarn" border on the original chart in the lower right hand corner of the piece using the corner "yarn" squiggles as a guide for placement. To save space, the corner squiggle is only shown on the bottom two, but all of the ones above are just the same.

	PAPERBAG KATS	
	PURRFECT PITCH	
	GONE FISHIN'	
	KITTY CUISINE	
	KITTY LITTER	
	MEDDOW.COM	
	IN-SYNC	
	BAROQUE!
